

# RESOURCES AT THE FEMINIST LIBRARY

We are a **warm bank**, come in for free **tea & biscuits** and somewhere comfortable to chill out. We are **wheelchair accessible** and step-free. We have **free wifi**, and **computers** you can use. Our **reference library** is free to use, including 100s of periodicals.

We also offer **venue hire** for reasonable rates (see our website).

## WAYS TO GET INVOLVED:

We are always after more **volunteers** to open for events or organise our collection. Email [volunteer@feministlibrary.co.uk](mailto:volunteer@feministlibrary.co.uk)

Our **Friends** subscribe for **£3 a month** for exclusive discounts and offers. They are key to keeping us open and independent.

If you want to do a community event with us (for free!), fill out our **collaborations form** on our website.

**April 2024**

Founded in 1975, we are a free Feminist social space and library in Peckham. The Library is trans-inclusive, welcomes visitors of any gender, does not require registration or membership, and provides an intersectional space for the exploration of Feminism.

**opening times: 11am -5pm**  
**Tuesday, Wednesday & Friday.**  
**Saturday 1-4pm (bookshop)**
